*Mr. Andrew Kemper, Elementary Assistant Principal*

*Mrs. Rebecca Trinchese, Elementary  
Guidance Counselor*

March 20, 2020

Dear Elementary Families,

Thank you for your patience in this uncharted territory. The elementary team is working hard to develop meaningful learning opportunities that students can access from home. Students in grades 2-5 have been trained in the G-Suite and should be able to navigate the resources posted by their teachers in Google.

Students in grades K-1 have not had instruction with the G Suite to date. We are creating emails for all K-1 students to allow them access to the Google Platform. We are NOT expecting the K-1 students to navigate this independently. We are asking that parents use their child's email information to log-in to Google and assist their student in navigating the resources. Once in the G Suite, when you click on the waffle you will find icons for GMAIL and CLASSROOM. Here is a link to a video you may find helpful.

<https://www.youtube.com/watch?v=xfgqtCi7hdc>

Enclosed you will find several handouts. There is a log-in handout that lists the sign-in process for several of our applications. At the top you will find your child's student ID that will be needed for several of their log-ins.

FYI: Google log-ins are consistent for all elementary students

Email: lastnamefirstname@gcasdk12.org

Password: GCASD.StudentID#

Example password: GCASD.360990

The district staff is using the initial ten days of mandatory school closure for training and preparation. If schools are closed beyond March 27, 2020, your student(s) will be contacted by their teacher(s) using the school gmail account. Check your email daily! If you are still without internet and/or a device, please call (724) 458-6733 and leave a message. Thank you for your cooperation and patience.

Respectfully,

  
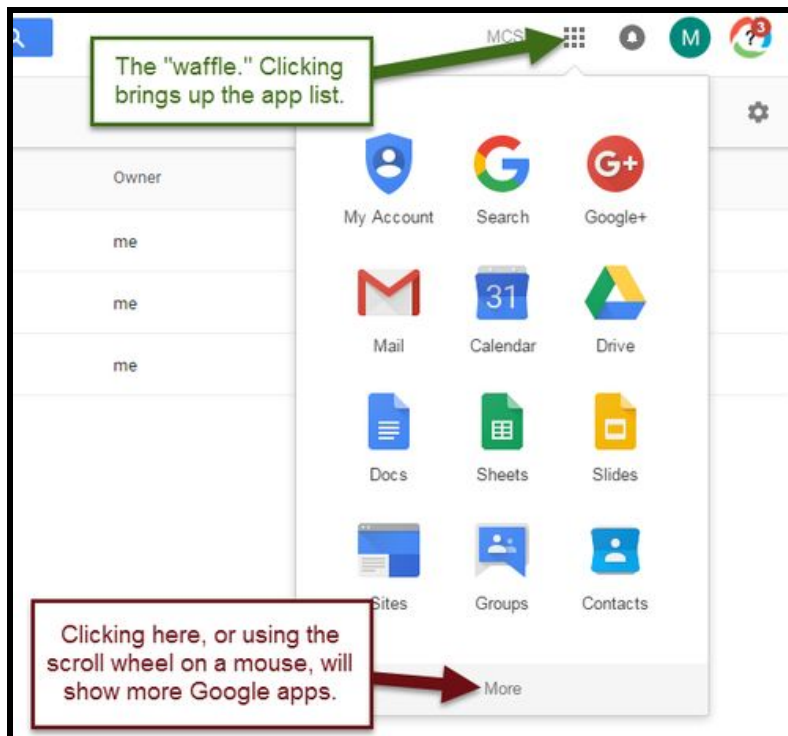

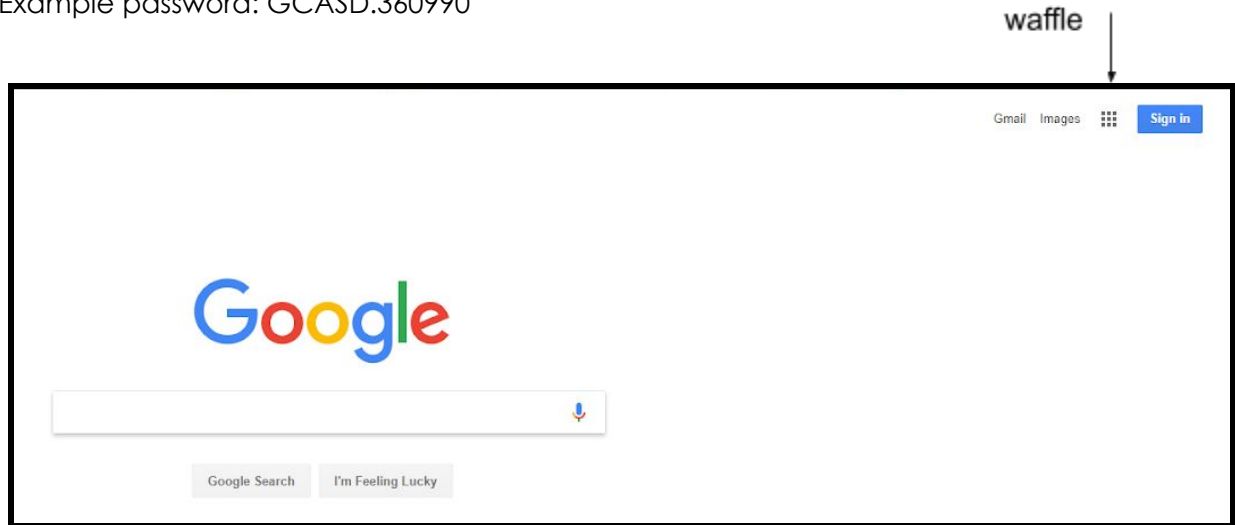

Tammi Martin

# Hillview students in grades K-5 have Google accounts!

## How to sign in:

Welcome to Google. Start by signing in to your account. (We recommend using Google Chrome as your browser.)

1. Go to [www.google.com](http://www.google.com) and in the top-right corner, click sign in. If you do not see a sign in button, click on the waffle and choose account to sign in.
2. Click Sign in. Type email: lastnamefirstname@gcasdk12.org Your password is GCASD.StudentID#  
Example email: smithkaitlin@gcasdk12.org  
Example password: GCASD.360990

Students have access to Google Drive, Gmail, Docs, Slides, Sheets, and much more!
