The Mercer County Frontiers Club is seeking Afro-American applicants for its twenty first Annual Scholarship Awards. Applicants must be graduating seniors, in Mercer County or Brookfield, who have been accepted to an institution of higher learning. Consideration will be given to: grade point average; volunteer service in school and the community; and character. In addition to the above, applicants must submit an essay of three hundred (300) words or less on their goals in life and the importance of obtaining a quality education in today's technical age. Applications are due by Monday March 1st, typed and double spaced. Application forms are being sent to each church, and to Guidance Counselors in the school districts. The completed applications and the essays are to be mailed to the above address. Applications received after the deadline will not be considered.

We will notify the recipients of the scholarships in April of this year. In the past this has been done at an Awards Luncheon; however because of the pandemic, we will not have a Luncheon this year. If there are any questions, please contact Ronald Weston at (724) 981-1866, or Doctor Yarboro at (724) 346-4124.

Respectfully,

A handwritten signature in black ink that reads 'Ronald Weston'. The signature is written in a cursive style with a long horizontal stroke at the end.

Ronald Weston, President, Mercer County Club.
