Eidex

- Eidex enables districts to evaluate academic and financial data relative to like-kind peer districts and schools – quickly and comprehensively.
- This capability is saving administrator time, reducing and reallocating limited school resources, and facilitating communication with the board, teachers, and other district stakeholders.
- Currently, over 350 Pennsylvania districts are utilizing Eidex.

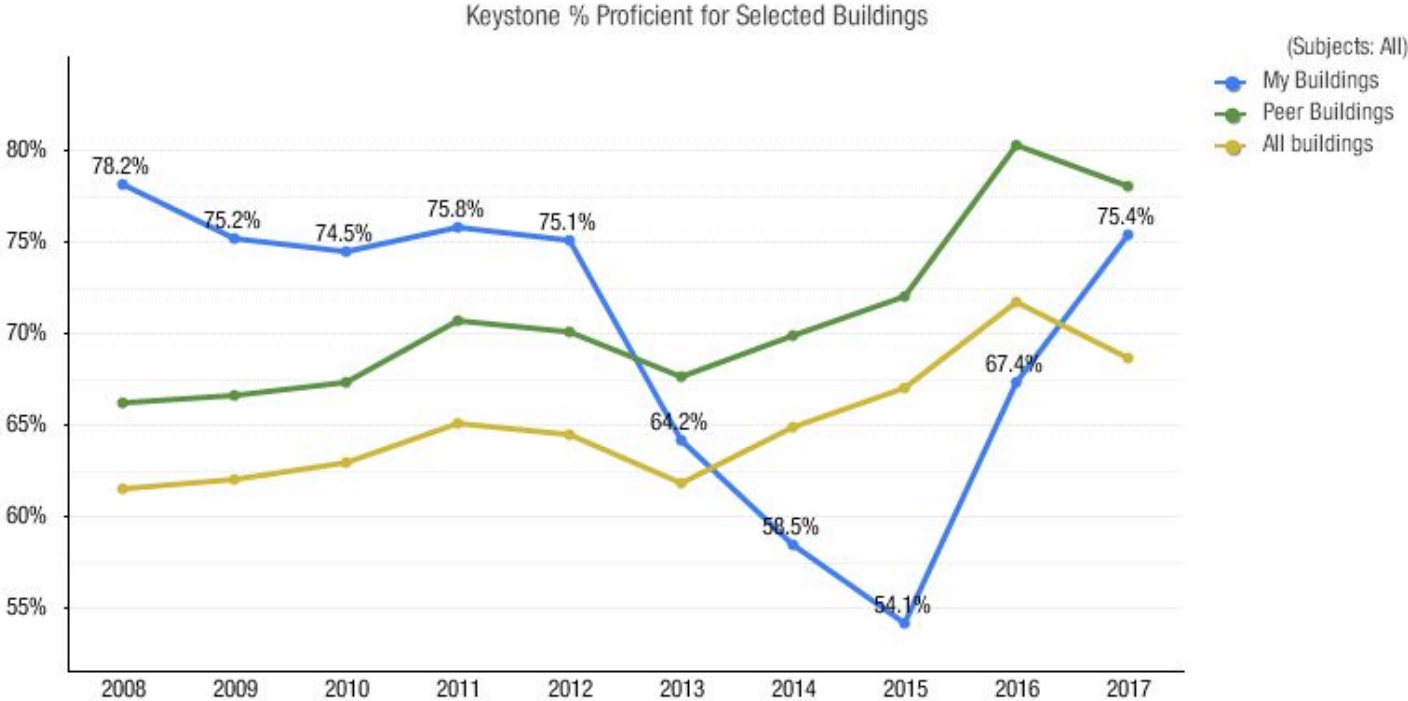

Eidex Reports (Peers=IU School Districts)

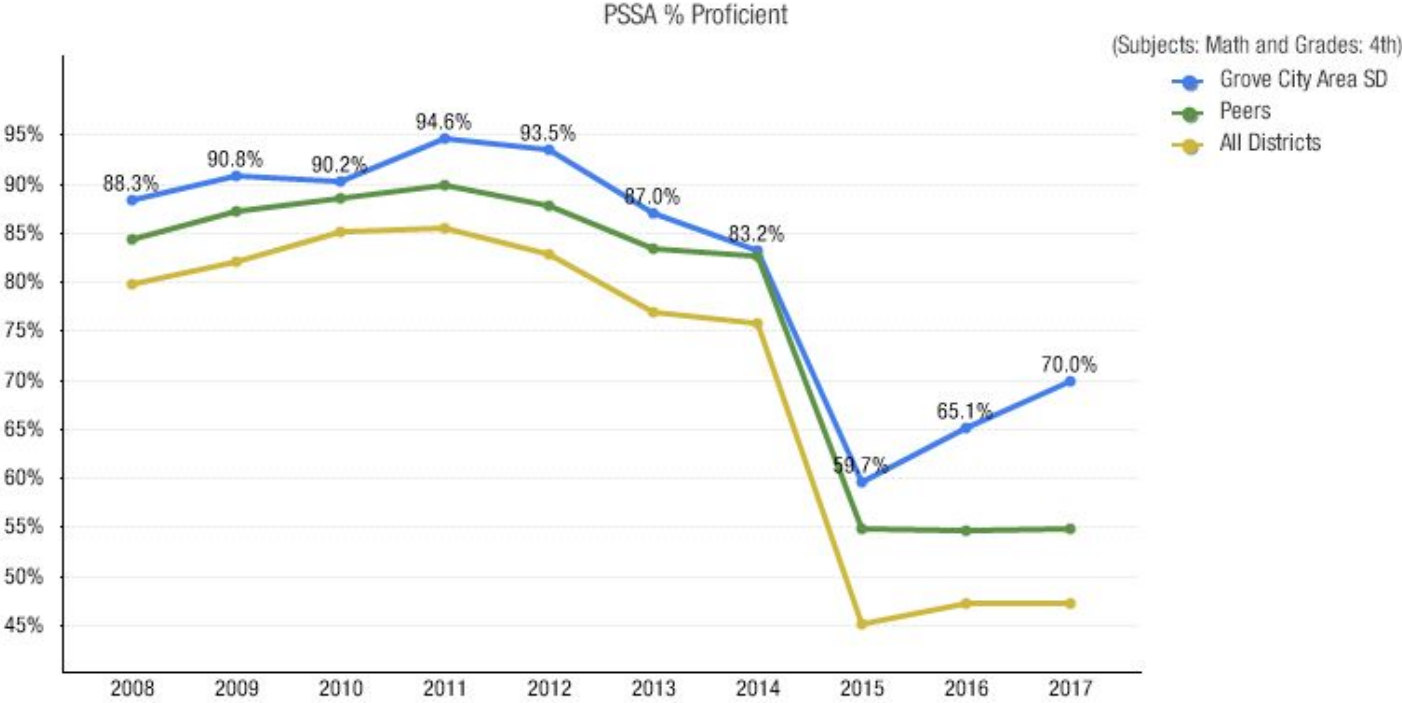

Eidex Reports (Inclusion of GJR, Peers=IU School Districts)

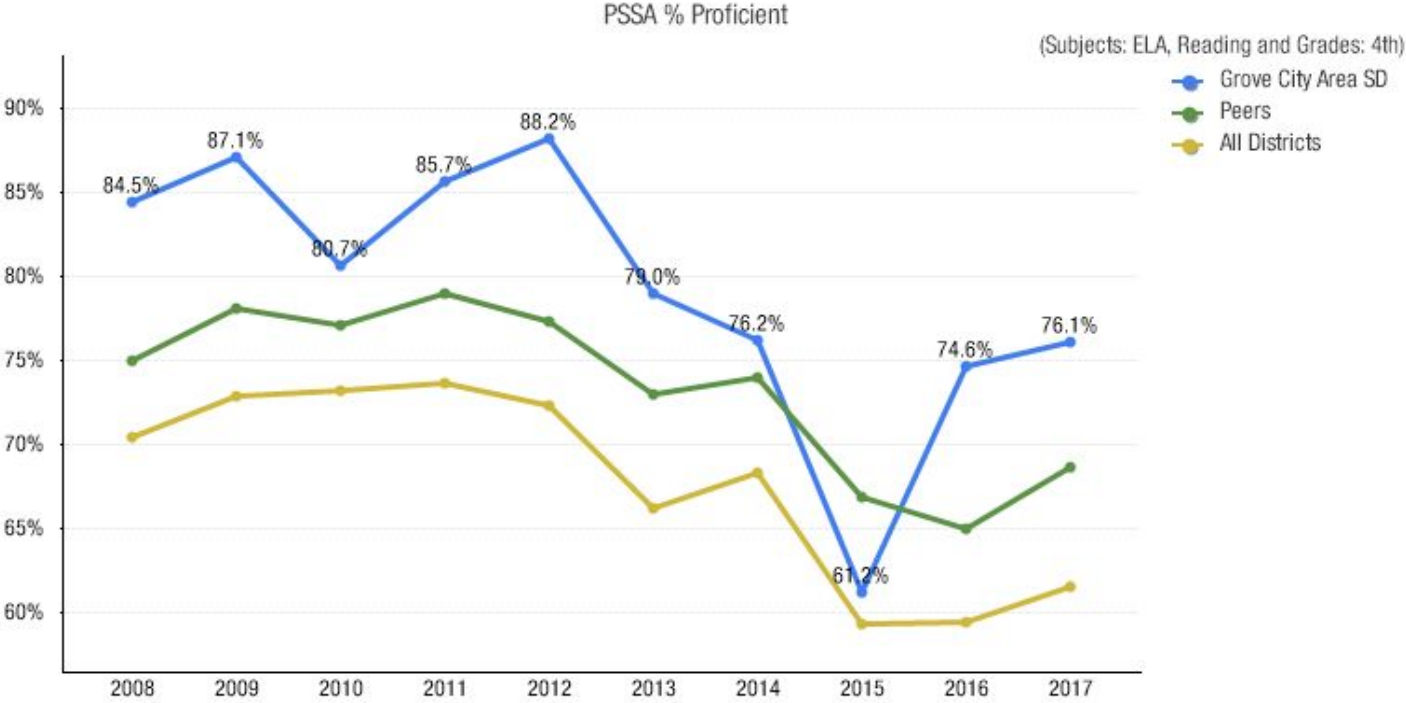

Eidex Reports (Exclusion of GJR, Peers=IU Districts)

Available Data Sources

Pennsylvania Department of Education

- Raw data from PSSA and Keystone results

School Performance Profile (SPP) Scores - Released October 27, 2017

- In effect from 2013 - until last week
- Next year, the state will move to the Future Ready PA Index

Pennsylvania Value Added Assessment System (PVAAS)

- Public access provided
- Measures academic growth of students

Additional Data Sources (cont.)

Pittsburgh Business Times (PBT)

- Ranks districts in the region and the state
- Considers socio-economic status
- Incorporates GJR scores

School Digger

- Ranks by building
- Ranks by district
- Incorporates GJR scores

School Digger Evaluation

District/School	2017 Rank	2016 Rank	Rank Change	Stars
GCASD	300/572	388	88+	2
Hillview	442/1546	466	24+	4
Middle	312/864	364	52+	3
