

Student Parking Agreement

2022-2023

Please read the following agreement and then click on the link below to electronically sign the agreement. The form will also ask for the information needed to obtain a student parking permit for the school year. You must fill out the form for each vehicle you are registering for each student. (Ex. If a student will be bringing 2 different vehicles on different days, you will need to fill the form out twice.)

I hereby give my son/daughter permission to drive to Grove City High School. I realize that a bus is normally provided by the Board of Education to transport students. I absolve the school district from any liability in relation to this vehicle being driven. I also understand that school authorities reserve the right to either suspend or deny entirely these driving privileges if they are abused. Students are required to register all vehicles to be driven to school and to display any identification tags that are required.

I understand this does not permit the use of the vehicle during the school day or driving to the career center. There is a separate form for driving to the career center. See the high school website to find this form.

Student parking is permitted in the lot located on Highland Avenue directly across from the YMCA Early Education Center and the lot located behind the YMCA Early Education Center. There are no assigned parking spaces and parking is on a "first come, first serve" basis. Upon parking, students are to lock their vehicles. Students are encouraged not to abuse the privilege of driving to school and parking on school grounds. Students are to obey all school zone speed limits, drive carefully and use caution in the parking lot. Any vehicle parked in an undesignated area will be towed at the owner's expense.

I have read the above information and understand that any violation of the rules could result in the loss of driving privileges, which will be determined by the school principal or assistant principal.

Click on the link below to access the form you need to complete and to obtain a student parking permit.

A parent/guardian must email Mrs. Jessica Bish at jessica.bish@gcasdk12.org for the electronic form.
